Subject: RE: WC93: Communications Alliance Invitation for Public Comment - Proposed withdrawal of ULLS Network Deployment Industry Code (C559:2012) and G618:2004

Hi James, et al.

Telstra supports the withdrawal of C559:2012 and G618:2004.

The two most recent ACCC RKR, [Sept 2024](#) and [Dec 2024](#), both show there to be no ULL services in operation. (There were 5 remaining in [June 2024](#)).

We would like to convey our thanks to WC-93 for taking the time to review of these documents and their ongoing relevance (lack thereof), and for the proposal to withdraw both documents. Thanks.

Regards, Geoff.

Geoffrey Gerrand.
